MEMORANDUM

FOR: The Comptroller, Attention - [REDACTED]

25X1A9a

VIA: [REDACTED]

25X1A9a

FROM: Finance Division, TSCO *mc*

SUBJECT: Page Numbering of TS documents - Ref.: TS Directive 1-53

The suggestion is good, in part, for control purposes but would be a time consuming procedure. The Finance Division Monthly Report has from 150 to 171 pages and 7 copies of this report are registered and distributed as Top Secret.

I have a question in connection with paragraph 5, a,--

Will it be possible to easily identify or trace a missing portion of a document, despite the fact the pages are numbered, if the document number does not appear on each page?
